

### A note from Miss Nichol

Welcome back to school everyone. I hope you have had a wonderful summer holiday. I am really looking forward to teaching your children this year in Year 2. We have lots of exciting things planned.

## Year 2, Class 5 Autumn 1 Newsletter

**Seascape Primary  
School**

### Important Reminders:

Please remember that we are trying to promote independence in KS1. Please allow your children to say bye on the yard and come into school on their own.

We also ask that all children bring a warm coat to school and a bag to keep their belongings safe. Could all school jumpers and cardigans have names in too please just to avoid confusion.

This term our topic is 'Memory Box'. We will be learning all about life in the past. We will be looking at the history of toys and comparing how they have changed over the years. We will be placing them on a timeline from old to new. We will also be comparing the materials used in the past in comparison to the manmade materials used now. In geography we will look at what the local area of our school looks like now compared to in the past. We will also be learning about healthy eating and how to make our own healthy sandwich which our parents will be invited to enjoy with us.

- Homework will be set on a Monday and expected to be completed by the following Friday
