

A note from Miss Nichol

Welcome back to school I hope you all had a great half term .We have lots of lovely plans for your children this half term on the lead up to Christmas.

Important Reminders:

It is starting to get really cold so please send your child to school with the appropriate clothing to suit the weather conditions.

Topic

This term our topic is 'Memory Box'. We will be learning all about life in the past. We will be looking at the history of toys and comparing how they have changed over the years. We will be placing them on a timeline from old to new. We will also be comparing the materials used in the past in comparison to the manmade materials used now. In geography we will look at what the local area of our school looks like now compared to in the past. We will also be learning about healthy eating and how to make our own healthy sandwich which our parents will be invited to enjoy with us.
