

A note from Miss Lindsay & Mr Bell

I hope you have had a wonderful Summer holiday. I am very much looking forward to beginning the school year with my new class. In English we will continue to work in Read, Write Inc groups. Reading is vital part of your child's education and development so I hope to promote a love of reading in my class. It is also important that children read at home three times a week and bring their reading records to school signed by an adult.

Thank you for your support.

Year 2, Class 6 Newsletter

Important Reminders:

PE lessons for Year 2, both Class 5 and Class 6 children will be on Monday afternoons. Children will be put together as one large class and taught by Miss Lindsay, Mr Bell and Mr Druid. The school PE kit is: a plain white t-shirt and black trousers or shorts. Children are expected to have appropriate footwear such as trainers or indoor shoes. Please ensure your child brings the necessary clothing as PE is an important part of the school curriculum.

This term in class we are learning about...

Our topic for this Autumn Term is 'Memory Box'

The focus for Class 6 this half term will mainly be Design and Technology based. Children will learn about packaging and investigate 3D net shapes. They will draw their own net shapes and use it to make a model of their own by exploring techniques to strengthen a piece of paper.

The next part of our topic is to learn about Healthy Eating. Children will begin to learn about the different food groups and decide what types of food are healthy choices and why. Children will then design their own healthy sandwich and make one themselves and a family member.

In Science, Class 6 will be learning about the properties of everyday materials, what they are and why they have been used for particular items and inventions.

Homework:

The children are continuing with their online homework and are becoming familiar with the routines in place. Homework is set, for Maths and Spelling, every Monday and it is to be completed by the end of the week. Paper copies are also sent home for children's revision of spellings and arithmetic.

There are opportunities provided throughout the week for children to use school equipment to complete their homework if they are unable to do so at home. Please encourage your child to complete their homework on time as it supports their learning in the classroom. Thank you from your support.

Diary Dates, Educational Visits and assemblies this half term:

Wednesday 4th September – Class 6 Welcome Assembly – 2:00pm

Wednesday 11th September – Destination Judo morning session

Wednesday 23rd October – Year 2 Picnic Party 2:30pm
