A note from Miss Bailey and Mr Jordane:

We hope everyone had a wonderful half-term. We have some wonderful things planned.

We have been very impressed with the attitude to learning shown by children in both of our classes, and are very much looking forward to seeing this continue.

As always, if you have any questions or queries, please pop along and see us at the classroom door.

Seascape Primary School

This term in class we are learning about...

Our topic for this half term is 'Gods and Mortals' It is a history based topic.
Children will be learning about:

- The Trojan horse
- The myth of Medusa

Children will also be developing their History skills through the use of enquiry questions and using primary and secondary sources.

Also, we have our exciting trip to Simply Greek in Newcastle coming up on Wednesday 20th November.

Important Reminders:

Remember children need to arrive at school by 8:50am daily. By arriving on time, this will allow for a smooth start to each day of learning.

Should your child arrive late, they will enter through the Learning Zone door.
