

**A note from Mrs. Gillett**

Welcome back to the final half term of the year, I hope you had a great week. Only one half term left of year 5 and we have a lot of exciting events planned as well as a lot of work still to complete.

I want to take this opportunity to say thank you for the help and support you have given your child throughout the school year.

**Year 5, Class 10**  
**Newsletter**

**Important Reminders:**

As the weather begins to improve, please ensure your child brings a suitable water bottle into school.

Music lessons will continue this half term on a Monday afternoon.

Year 5 PE is still on a Tuesday afternoon, please make sure your child brings their outdoor PE kit every week.

**This term in class we are learning about...**

Our topic this half term is Beast Creator which is a science based topic. The children will be using and constructing classification keys to identify mini-beasts and creating habitats for them in the classroom. In addition, they will be describing the life cycle of a frog.

In D&T, the children will be designing and constructing a mini-beast hotel from a range of materials and creating their own model of a mini-beast using a range of materials and joining techniques.

In geography, the children will venture into the local area, locating mini-beasts in their natural habitat. Upon their return to the classroom, they will locate and plot on a map where mini-beasts from around the world can be found.

In art, the children will be asked to create a detailed drawing of a mini-beast and will be challenged to create their own 'Fascinating Fact File' of a mini-beast of their choice.

**Homework:**

Children will continue to receive homework each Wednesday, which is due in the following Wednesday for:

- Maths Shed
- Spelling Shed

Your child will bring their reading book home every night. Please read with them – daily if possible – and log your comments. Books will be checked, and signed, every week in school.

**Educational Visits and assemblies this half term:**

Wednesday 19<sup>th</sup> June 2019 – Dene Community School - Transition Day

Monday 24<sup>th</sup> June 2019 – Dene Community School - STEM Activities (Afternoon only)
