

A note from Mrs. Stuart

Welcome back to the final half term of the year! I would like to take this opportunity to thank all parents and carers for their support during SATs week - the children really benefited from arriving at school promptly. I was so impressed with the children and their positive attitude; they showed determination and resilience in what is always a challenging week – well done!

Newsletter**

Important Reminders:

As the weather begins to improve, please ensure your child brings a suitable water bottle into school.

Music lessons will continue this half term on a Monday afternoon.

This term in class we are learning about...

Our topic this half term is Beast Creator which is a science based topic. The children will be using and constructing classification keys to identify mini-beasts and creating habitats for them in the classroom. In addition, they will be describing the life cycle of a frog.

In D&T, the children will be designing and constructing a mini-beast hotel from a range of materials and creating their own model of a mini-beast using a range of materials and joining techniques.

In geography, the children will venture into the local area, locating mini-beasts in their natural habitat. Upon their return to the classroom, they will locate and plot on a map where mini-beasts from around the world can be found.

In art, the children will be asked to create a detailed drawing of a mini-beast and will be challenged to create their own 'Fascinating Fact File' of a mini-beast of their choice.

Homework:

Children will continue to receive homework each Wednesday, which is due in the following Wednesday for:

- Maths Shed
- Spelling Shed

Your child will bring their reading book home every night. Please read with them – daily if possible – and log your comments. Books will be checked, and signed, every Friday in school.

Educational Visits and assemblies this half term:

During this half term, the secondary school your child will be attending will be arranging transition days; this information is provided directly from the Secondary School. Please check the dates provided in any correspondence from them.

Wednesday 10th July 2019 – Moor House Trip (Non-residential children)

Wednesday 10th July – Friday 12th July 2019 – Year 5/6 Residential to Kingswood (Hexham)

Friday 19th July 2019 @ 10am Year 6 Leavers' Assembly
