This term in class we are learning about...

We will start this term concentrating on being kind and friendly to all our friends. We have a Kindness Jar where the children can add to when they do something kind and a Golden Book to write special acts our kindness.

We will also be learning about our bodies, what makes us different to our friends and superheroes.

We will also be continuing our learning about the exciting characters in Ten Town. The program we use does have a parent section you can purchase. Please let a member of staff know if you are interested in this.

Homework:

In Nursery all pupils will receive a bag where they can take home a book to share. Please take any book from the baskets provided and return the book when you have finished.

Each Monday a small task will be stuck in your child's book. This will explain what your child has been learning and some of the activities they have been involved in.

New tasks will be stuck in on a Monday and this needs to be returned by the Thursday.
