

### A note from the Staff.

Welcome back! We hope you had a lovely holiday.

We are hoping at now it is "Summer" the weather will improve. Please provide a sunhat on hot days and apply sun cream before your child's session. If your child is in nursery all day then please provide sun cream that can be applied throughout the day.

### Dates for your diary:

Easter Monday – Monday 22<sup>nd</sup> April – school closed

May Day – Monday 6<sup>th</sup> May – school closed

## Rainbow Room and Nursery Staff Summer 1

### Important Reminders:

**Junk Modeling:** If you have any boxes, pots, scrap material we would appreciate it being brought into Nursery to be used in our creative area. We are unable to use toilet rolls but kitchen rolls would be greatly received.

**Passwords:** If you have not set up a password for another person to pick up your child in case of emergency then please speak to a member of staff as soon as possible.

Please remember that if your child wears a nappy then it must be clean on entry to the Rainbow Room and Nursery. Children will be changed throughout the session and will be supported with toilet training when needed.

Also all children who are toilet training need extra clothing with them: pants, trousers and socks.

### Home time:

Can we please ask that whilst you are waiting for the door to be opened the buzzer is not pressed as this does disturb the children.

If you have an emergency please go to the school office.

**Rainbow Room:** Parents please collect your child from inside the classroom

**Nursery:** Parents please wait at the door and wait for your child to be called.

If you wish to give a message or speak to a member of staff we would ask that you please wait until the majority of pupils have been collected so that we can make sure all children get to their parents safely.

### Gardening:

This half term we will be looking at planting and growing.

Your child will be given a sunflower seed to plant at home to take care of. Once they have grown we would love to see photos of how high your sunflower has grown and there may even be a prize for the tallest!
