

### **A Note from Charlotte:**

Welcome back to school, I hope everyone had a relaxing half term break.

Seascape Primary School

### **Important Reminders:**

As you are now aware our weekly homework can all be completed online using the Spelling Shed website or app. Children will also use this website to complete their weekly maths homework.

If you need another copy of your child's user name or password please come and see me.

If you do not have access to the internet at home please sign your child up to homework after school club via the school office.

Children who do not complete their homework will attend a homework club on a Monday lunch time.

We will be awarding stickers and prizes to everyone who completes their homework weekly.

Please remember that as we move towards the summer term we are working on promoting independence ready for year two. Please allow children to come up to the cloakroom on their own each morning.

### **School Trip**

We will be attending the Botanical Gardens during this half term. Please look out for the permission slip which will be sent via Parent Mail soon.

### **Parents Evening**

Parents evening will take place on Monday 9<sup>th</sup> and Tuesday 10<sup>th</sup> March. Please sign up to a slot on the classroom door.

## Year One, Class 3 Spring 2 Newsletter

### **This term in class we are learning about...**

This half term our topic is called 'The Scented Garden'. We will be learning about plants through our science lessons and will be planting seeds of our own. We will also be exploring climate changes in different countries learning about why different plants grow in different places.
