

## A note from Mrs Hunter

We made it to the Summer Term! Well done everyone. We can't wait to get our teeth stuck into so many different activities and I am ready for you all to blow my socks off!

As the weather does get warmer please bring a waterproof coat for your child everyday as you never know with our British weather. Similarly if it is very hot, your child will need a sun hat and sun cream applied on a morning.

## Reception, Class 1 Newsletter

### Important Reminders:

PE will continue to be every Monday. Please ensure your child attends schools wearing their full PE kit on this day. Please make sure they wear the following white t shirt, dark joggers and suitable footwear.

Your child needs a water bottle particularly as the weather will get warmer. Please make sure that they contain only water as anything else will be replaced.

### This term in class we are learning about...

- ❖ Light and Dark as well as animals that come out during the day time and at night
- ❖ Facts about different animals. We will all read and write lots of different facts. David Attenborough watch out!
- ❖ Animals that live on a farm including the name of the baby animals and ways of sorting different animals in different ways
- ❖ Special places for us and special places for Christians, Hindus and Sikhs
- ❖ Going on different adventures...I wonder where we will go?

### Homework:

When your child is ready for a reading book they will be sent out on a Thursday and we ask they are returned on the Monday. If your child is yet to bring a book home please practice letter sounds at home as they will make sure that a reading book can be sent out as soon as possible. If a book is lost then a payment of £5 will be requested as stated in the School Contract.
