

**A note from Miss Moorfield, Mrs Hunter,
Miss Day, Mrs Millican**

Welcome back! It is so lovely to see you all!
We can't wait to find out all about you all
and have fun with our learning. We have so
many different areas in the classroom ready
and waiting for you to explore.

**Reception Autumn 1
Newsletter**

Important Reminders:

Reception will have PE every Friday. Please ensure your child attends school wearing their full PE kit on this day. All PE lessons will take place outside, so please make sure that your child is wearing suitable clothing (white tshirt, dark joggers) and foot wear. Please ensure that uniform is clearly labelled with your child's name.

This term in class we are learning about...

Our topic this term is 'Friendship. We will all be making new friends and showing how kind we can be with each other.

Some of the activities we will be getting up to:

- Reading stories about being a good friend and how we can be kind and helpful to others
- Taking about what makes us special, what we look like and our families
- Exploring the different areas in the classroom
- Watching how the outside environment changes over time and what happens at Autumn time.

Homework:

Your child will be sent home new letters each Monday in their reading bag. Please return the bag each day. It would be most helpful if you could write a comment to let us know any sounds they are finding tricky. Check the Reception door for links of videos that will support you with this. When your child is ready they will receive a reading book.

Educational Visits and assemblies this half term:

21st October – Harvest Festival – more information will be sent out nearer the time
