

**A note from Mrs Smout, Mrs Hunter, Miss Day, Mrs Cullen, Mrs Millican**

Welcome back, we hope you had a lovely Easter holiday.

As the weather is so unpredictable please remember to bring a waterproof coat each day just in case. As the weather gets warmer please apply sun cream when necessary.

**Reception Summer Newsletter**

**Important Reminders:**

Reception will have PE every Friday. Please ensure your child attends school wearing their full PE kit on this day. All PE lessons will take place outside, so please make sure that your child is wearing suitable clothing (white t-shirt, dark joggers) and foot wear. Please ensure that uniform is clearly labelled with your child's name.

**This term in class we are learning about...**

We will be continuing our work on Spring warming into Summer and looking for changes in our environment.

We will be learning about the farm and the seaside and how the two environments are different. We will also be learning about Jethro Tull, Captain Cook and Queen Elizabeth to celebrate her Platinum Jubilee.

Some of the activities we will be getting up to:

- Using the letters we have learnt blend sounds together to read words and sentences
- Forming our letters correctly to write simple sentences
- Using the numbers we have learnt to help us solve problems
- Reading and sharing stories with our friends

**Homework:**

We will be continuing to send home new letters once your child has learnt them. Please return the bag each day. It would be most helpful if you could write a comment to let us know any sounds they are finding tricky. Check the Reception door for links of videos that will support you with this. When your child is ready they will receive a reading book.

**Educational Visits and assemblies this half term:**

We will be hoping to go on a school visit next half term. We will let you know when and if this is organised.
