Homework:

Homework is set on a Monday and is expected to be completed by Friday. Homework for Maths and Spellings is online on the website EdShed. If you have lost your login details please let school know and we can send these home. Children are also given a banded reading book. This is sent home on a Monday. Can children please remember to bring their reading book in daily so that staff can record in their reading records when they have been heard read. Books need to be in school on a Friday so that they can be changed ready for Monday.

If you are unsure about your child's homework please ask.

Children who regularly return their banded books have also been taking a library book of their choice home on a Tuesday. Can children please bring these back into school for the following Tuesday ready for our Library time session.
